Message from the Head of School

Philanthropy is power, agency and the ability to change Walker’s and the world.

This annual report is a tribute to those who choose to change the world by investing in Walker’s students — girls who learn from master teachers who foster confident, curious students. It is my greatest delight to be leading Walker’s as we propel the arc of our trajectory upwards.

What a terrific year for our school! Students and faculty have distinguished themselves through the recognition of their mastery of knowledge, their pursuit of excellence and through service-based community partnerships and pursuing opportunities to present work through national competitions and programs. A Walker’s senior secured a highly competitive summer research internship at Jackson Labs following her year-long internship there and before entering Northwestern University where she is studying biochemistry. Walker’s Grapes won Gold at the Wyvern Invitational A Cappella Festival, New England’s largest a cappella festival. Two Walker’s students were invited to attend Middlebury’s highly selective summer program at the Breadloaf School of English.

Walker’s donors gave in striking ways to accomplish so much. Growth in giving among alumnae and parents, the thrill of a remarkable $1,000,000 Challenge met and the emergence of a new circle of donors, the Copper Beech Society, committed to our girls’ school mission all helped to create an extraordinary year of teaching, learning and leading for our girls.

Investing in the education of girls is philanthropy at its very best and precisely where our exceptional educators inspire students to realize their potential. By choosing to give a gift to Walker’s, our donors are igniting the next generation of innovators, leaders, and impact players on the field and in their communities. Walker’s graduates are talented, extraordinary, inspired women who cherish learning and doing.

Many have heard me state that girls’ learning communities must not accept the disproportionate way funding has been directed when compared to coed boarding schools — resources have been directed in gendered ways — with boys’ schools and formerly boys’ schools far more financially secure in terms of their endowments and their annual funds. With the help of alumnæ, parents, grandparents, faculty, staff and friends, we intend to rewrite that narrative for Walker’s. We need to celebrate and perpetuate those institutions that have created the women change-makers of today.

Every year the Annual Fund for Walker’s serves to close the gap between tuition and the true cost of attendance for each student. This collective philanthropy supports the activities of this school — from field trips to visit a research laboratory or the Yale Art Museum, to new soccer balls, laptops and printers.

Our mission is essential — the next generation of innovators, political leaders, researchers, actors, business leaders and parents are being educated at Walker’s. Our students are fascinating, smart, lively, intensely motivated and curious about their world. They deserve a challenging dynamic learning community. Your support, and your encouragement of others to make the support of Walker’s girls a giving priority, is leveling Walker’s financial playing field.

All on campus are touched by the choice of our 900+ donors to invest in the life of learning and transformation here and we applaud you for your generosity — you are indeed changing Walker’s, and the world.

With great appreciation and admiration,

Meera Viswanathan

2018-2019 Reunion Awards

The **CLASS OF 1944 BOWL** was established in 1994 and awarded to the Reunion Class that raises a gift to the Annual Fund for Walker's between $50,000 and $74,999. This year the **Class of 1979** collectively raised $65,000 for the Annual Fund for Walker’s in honor of their reunion!

During chapel on Reunion weekend, the Alumnae Association awards the **ALUMNAE BOARD SOCIAL ACTION AWARD** to the senior student (or students) who “has demonstrated a concern for issues of social inequality and has acted on her concern through actively promoting awareness or participating in community service, activism or social entrepreneurship intended to advance positive social change.” The 2019 recipient is **Katherine Dunn ’19**.

The **LONG DISTANCE AWARD** is presented to the alumna who traveled the longest distance from her home to Simsbury to attend her reunion. In 2019, the award was presented to **Alexis Simone Austin ’14**, who traveled 3,010 miles from Rohnert Park, CA to attend Reunion! Hooray Sunray, Alexis!
The SUNDIAL BOWL is awarded each year to the class with the largest percentage of classmates registered for Reunion Weekend. Hooray Sunray to the Class of 1969!

The GATES FAMILY BOWL was established in 2002 by Sarah Gates Colley ’75, trustee and chair of the Advancement Committee, in honor of her parents, John and Christine Gates, and her family’s longstanding relationship with The Ethel Walker School. The bowl is awarded to the Reunion Class that raises a gift to the Annual Fund for Walker’s of $100,000 or more. This year’s recipient of the bowl is the Class of 1969, which collectively gave gifts totaling $273,313 to the Annual Fund for Walker’s in honor of their reunion.

The ELIZABETH NASH MUECH ’55 TRAY is awarded annually to the Reunion class that has achieved the highest level of Annual Fund participation. Hooray Sunray to the Class of 1969 where 48% of the class made a gift in honor of their reunion!
The Margot Treman Rose ’80 Distinguished Alumnae Award was presented at the 2019 Commencement to Yolanda “Yoli” Eleta de Varela ’81 by previous recipient Board Chair Kit O’Brien Rohn ’82. Please enjoy remarks delivered by Kit in the presentation of this award.

“This year, we are delighted to present The Margot Treman Rose ’80 Distinguished Alumnae Award award to someone who embodies not just one, but all three of the principles of elevating the work of their profession, influencing their community or giving extraordinary service to their school.

I must admit that she is a Sun, but even as a Dial, I cannot help but be amazed at the devotion and talent she brings to everything and everyone her own “sunny” disposition touches.

Our school mission states that we prepare students to make a difference in the world. This alumna continues to take our mission to heart as a truly global citizen. The mission goes on to state that “Members of this diverse community are dedicated to scholarship, the arts, athletics, wellness and service.” Indeed, she has dedicated herself not only to pursuing her own education but also improving access to education for others. A sportswoman herself, through service she has enhanced the wellness of others throughout her life.

Let’s take a minute to look more closely at the three pillars of this award, remembering that an alumna only needs to exhibit one of them to be considered for this honor:

First: Elevating the work of her profession

Yolanda, or Yoli as she’s known to all of us, has taken leadership in the telecommunications industry in Panama to new levels with her company’s philosophy based in a reciprocal relationship with society. She has recently been awarded the “Luz de la Comunidad”, or “Light of the Community” award from the Association of Businesswomen and Professionals of Panama.

Second: Influencing her community

Yoli makes everyone around her feel like family. The mother of four children, after her second daughter was born with Down syndrome, she always had a goal to ensure that her daughter and others with disabilities had access to all the opportunities available to other children. She realized that her leadership position in other areas could help her increase the possibilities for the disabled. Instrumental in building the Special Olympics in Panama and currently serving as its president, her leadership both there and internationally is evidence of how she views her family both as her own flesh and blood and as a global community.

Yoli’s passion for her community extends far and wide. She led a project called Mi Escuela Primero, or “My School First,” working to adapt Panamanian school infrastructure through private-public partnerships. She also worked to improve opportunities for prisoners. Expanding on “My School First,” she designed a project called “My School Chair First,” collecting old and broken school chairs from public schools all over Panama to be refurbished by prisoners and re-distributed to schools all over the county. She is helping to launch a digital education program for prisoners, and is also supplying digital technology to women prisoners to help enhance their opportunity to learn vocational skills. Yoli has been awarded “Volunteer of the Year” by the United Nations, “Woman of the Year” by the Latin American Glamour magazine, and the “Maria Ossa de Amador” Distinction by the Panamanian government.

Third: Service to her school

Yoli is passionate about The Ethel Walker School. When we wanted to increase our international connections with alumnae, she (along with her sister, Ximena Eleta de Sierra ’85) was first to step up and help facilitate an international retreat for alumnae. This gathering in 2018 fostered ideas for ways in which students could gain international experience. In addition to connecting our English department with an alumna teaching English in Panama, she partnered with our science department to co-create a Tropical Ecology field trip which will be launched next spring.

I must quote once again from our mission statement: “The satisfaction of achievement and joy of friendship are fundamental principles as the School empowers girls to lead with integrity, respect, confidence, courage, conviction and love of learning.” Yoli’s achievement knows no bounds, and if you need any proof of the joy she finds in friendship, you should know that 16 other alumnae are present today because she is here.

In 1981 as a graduating senior, Yolanda was awarded the Henry B. Sargent Memorial Prize for Kindliness and Good Fellowship, character traits which have undoubtedly remained throughout her life. Please join me in congratulating Yoli on being the 2019 recipient of our highest alumnae honor, The Margot Treman Rose ’80 Distinguished Alumnae Award.”
THE MARGOT TREMAN ROSE ’80 DISTINGUISHED ALUMNAE AWARD is The Ethel Walker School’s highest honor given to Walker’s graduates. It is presented to alumnae of the School who best exemplify Margot Rose’s attributes, ensuring that her work, dedication, and influence will be remembered now and always. When awarded, it will honor alumnae who, by their devotion and talent, elevate the work of their profession, who influence their community, or who give extraordinary service to their School. The award has been endowed in Margot’s honor by her mother, Terese Treman Williams ’55, and her stepfather, Joseph Williams.

The Ethel Walker Heritage Society

The Ethel Walker Heritage Society was established to celebrate and honor those women and men who have chosen to make gifts to The Ethel Walker School through a bequest.

Throughout Walker’s long history, bequest gifts have been the largest source of investment income to the School. Ethel Walker’s personal philanthropy through planned giving reflects this generosity of spirit. She has been an extraordinary benefactor to the School having shaped the School with her vision from its founding moments and now into perpetuity. Her demonstration of planning for the future helped to realize her philanthropic ambitions. It is a fitting tribute that our planned giving society bears her name.

We invite other alumnae, parents and friends to share in Ethel Walker’s ambitions and commitment to an extraordinary education for girls and consider joining her and many others by creating a planned gift.
